Tempe News Notes

TEMPE PRIMARY
ELECTION FRIDAY

The town primary election for Tempe will be held tomorrow at the town hall and so far only the candidates on the Citizen's ticket which was announced some time ago, have entered the field for nomination. That there will be but slight interest in the event is quite apparent and very likely the full citizen's ticket as originally chosen will be nominated.

On the ticket are, councilmen: L. D. Crook, J. A. Dines, G. R. Finch, T. J. Goodwin, L. V. Stewart, for town clerk: L. E. Pafford; for town marshal, M. C. Browning.

While this ticket may be chosen tomorrow the general election comes on May 22nd and it is understood that there are several or more who will run independently for the salaried offices.

The council has appointed the following board and officers to conduct the primary election tomorrow: Inspector, George L. Compton, judges, Aaron Cummings, and Mrs. H. G. Corson; clerks, Clara Priest and Estella Craig; Marshal, H. E. Laird.

"The Musical Millers."

A powerful drama in four acts by the Universal Company in which Wm. Welsh, Howard Crampton and Frances Nelson are seen, entitled "Conscience," is the feature at the opera house tonight. "Paternal Love" and "A Dip in the Water," a Joke, are the names of the other reels.

The musical millers will entertain the audience with a big comedy novelty musical act, funny instruments and dancing cats. "Sons of Satan" is the name of the first Red Bird feature to be shown at the opera house Friday.

Strawberry Day.
This is Strawberry day in Tempe and a big supply will be received in town this morning by express from the coast. The Pioneer Meat Market has taken a big share of the berries for sale and will offer them at greatly reduced prices.

Delightful Musical.
"The Midsummer Night" cantata and the music by the Redwell trio, given at the Normal auditorium night before last delighted a large audience and proved to be one of the most enjoyable of the many good offerings made in Tempe this season. The two part program presented a variety of music that appealed to all tastes. The affair was presented under the auspices of the Ladies Glee Club of the Normal, and that body of young ladies pleasingly contributed the beautiful cantata, "A Midsummer Night." Helena Munn Redwell, soprano; Francis Hamilton Redwell, clarinet; and Eugene Riviere Redwell, violin, added to their popularity with Tempe audiences with some splendid music renditions. The two piano duet by Misses Laura Schmidt and L. Harrington, was also a pleasing number on the program.

Temp. Delegates.
At the recent election in Tempe the Republicans and those whose interests are affiliated with that party, chose the following candidates to represent them at the county convention to be held in Phoenix on April 22nd. Max Cottrell, W. R. Lewis, R. L. Mullen, L. V. Stewart,

proposed to be done.

SECTION 4.
The said Commission finds that public convenience requires that serial bonds shall be issued to represent the costs and expenses of such work or improvement and said Commission determines that serial bonds shall be issued to represent each assessment of Twenty-five (\$25.00) Dollars or more for the costs and expenses of said work or improvement. Said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after their date until all is paid and the interest shall be payable semi-annually by coupon on the second day of January and July respectively of each year, at the rate of six (6) per cent per annum, on all sums unpaid, until the whole of said principal sum and interest are paid.

SECTION 5.
The serial bonds herein mentioned shall be issued in accordance with the provisions of Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code, and amendments thereto and all the proceedings in the aforementioned improvements shall also be taken under Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code, and amendments thereto.

SECTION 6.
The City Clerk shall certify to the passage of this Resolution of Intention, and shall cause the same to be published ten (10) times in the Arizona Republican, a daily newspaper published and circulated in the City of Phoenix and hereby designated for that purpose.

SECTION 7.
The Superintendent of Streets of the City of Phoenix shall post notice of said proposed improvement as required by law, and in said notices shall refer to this Resolution of Intention.

Approved April 13, 1916.
GEO. U. YOUNG, Mayor.

I hereby certify that the above and foregoing Resolution No. 175, was duly passed by the Commission of the City of Phoenix at a meeting held April 13, 1916, and that a quorum was present thereat.

FRANK THOMAS
City Clerk.
First publication, April 13, 1916.

SECTION 1.
That the public interest and convenience require, and that it is the intention of the Commission of the City of Phoenix to order the following work to be done, to-wit:

1. That the roadway of Roosevelt Street from the east line of Central Avenue to the west line of Seventh Street (except that portion now occupied by the tracks of the Phoenix Street Railway Company and two (2) feet on the outside of each rail) and including the intersection of all alleys, private drives wherever shown on the plans hereinafter referred to and including also such portions of intersecting streets, alleys and private drives as are necessary to form an approach to the pavement hereinafter described be graded and paved with bitulithic with cement concrete base, bitulithic with no base, cement concrete, "Topeka" Asphalt Concrete with cement concrete base, National, "Bitustone," Tarvia filled macadam, Asphalt concrete with bituminous concrete base or Dolarway, as may be hereafter determined.

2. That a combined cement concrete curb and gutter be constructed along both sides of the roadway of Roosevelt Street from the east line of Central Avenue to the west line of Seventh Street, excepting at the intersection of streets, alleys, private drives and approaches thereto as shown on the plans hereinafter referred to.

3. That a cement concrete curb be constructed across the intersections of all alleys, private drives and approaches thereto as shown on the plans hereinafter referred to.

4. That a cement concrete gutter be constructed across the intersections of all alleys, private drives and approaches thereto as shown on the plans hereinafter referred to.

5. That corrugated iron pipe of the size and location be laid as follows: Fifteen (15) inches in diameter across all alleys and private drives and across the roadways of all the intersecting streets with Roosevelt Street as shown on the plans hereinafter referred to.

6. That cement concrete standpipes be constructed and gates be set to control the flow of water at the following locations on Roosevelt Street:

One (1) at the alley between Second and Third Street's, as shown on the plans hereinafter referred to.

7. That cement concrete pipes of the size shown be laid from the aforementioned stand pipes and corrugated iron pipe to a point six (6) feet back of property line as shown on the plans hereinafter referred to.

8. That a storm water manhole be constructed on Roosevelt Street at Central Avenue, Fourth Street and Fifth Street.

9. That gutter inlets be constructed to receive drainage water at the following locations on Roosevelt Street: Central Avenue two (2), Fourth Street two (2), and Fifth Street two (2), and that said gutter inlets be connected to storm water manholes with the size of cement concrete pipe as shown on the plans hereinafter referred to.

10. That the roadway of the intersecting streets, alleys and private drives be graded from the grade of the aforementioned pavement not to exceed ten (10) per cent until it meets the original surface.

All of the above work or improvement to be done in accordance with that certain set of plans approved and adopted by the Commission of the City of Phoenix, on the 12th day of April, 1916, and on file in the office of the City Engineer in Book Three (3) of Street Improvement Plans on Pages 160 to 170 inclusive and in further accordance with the following specifications:

Standard Specifications of the City of Phoenix, Numbers 19, 22, 24 and 28. Curb and gutter work to be done in accordance with Specification Number 21.

Paving to be laid in accordance with the following Specifications, to-wit:

In case of bitulithic with cement concrete base Specifications Number 20.

In case bitulithic with no base Specification Number 26.

In case "Topeka" Asphalt Concrete with cement concrete base Specification Number 31.

In case National Pavement Specification Number 32.

In case "Bitustone" Pavement Specification Number 34.

In case "Tarvia" filled macadam Pavement Specification Number 35.

In case Asphalt Concrete with Bituminous Concrete base Specification Number 37A.

In case Dolarway Specification Number 38.

All of which above specifications are on file in the office of the City Clerk of the City of Phoenix. Said plans and specifications are hereby referred to for a more particular description of said work and made a part thereof.

SECTION 2.
That the said contemplated work or improvement in the opinion of the Commission, is of more than local or ordinary public benefit, and that said Commission hereby makes the costs and expenses of said work or improvement chargeable upon a district and hereby declares that the district in the said City of Phoenix, benefitted by the said work or improvement, and to be assessed to pay the costs and expenses thereof, is described as follows:

All of Churchill and Central Additions being bounded on the north by the center line of McDowell Road, on the south by the center line of Van Buren Street, on the east by the center line of Seventh Street, and on the west by the center line of Central Avenue.

Excepting therefrom any portion of any public street or alley which may be included within the above described districts and excepting also all of Blocks 38, 41, 42 and 43 and Lots 1, 2, 11 and 12, Block 44, Churchill Addition, owned by School District Number 1, Maricopa County, Arizona.

A portion of Block 20, Central Addition, owned by School District Number 1, Maricopa County, Arizona, which certain premises shall be omitted on the assessment hereafter to be made to cover the cost and expenses of said work or improvement and the total costs and expenses of said work or improvement shall be assessed upon the remaining lots or parcels of land lying within the said assessment districts as provided for in Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code and amendments thereto.

SECTION 3.
The City Engineer is hereby directed to make a diagram of the districts described hereinabove in Section 2, of this Resolution of Intention, to be assessed to pay the costs and expenses thereof. Such diagram shall show each separate lot, piece or parcel of land in said districts and the relative location of the same to the work

nix, to order the following work to be performed, to-wit:

1. That the roadway of Second Avenue from the south line of Fillmore Street to the north line of Van Buren Street (except that portion now occupied by the tracks of the Phoenix Street Railway Company and two (2) feet on the outside of each rail) and including the intersection of all private drives wherever shown on the plans hereinafter referred to and including also such portions of intersecting streets and private drives as are necessary to form an easy approach to the pavement hereinafter described, to be graded and paved with bitulithic with cement concrete base, bitulithic with no base, cement concrete, "Topeka" Asphalt Concrete with cement concrete base, National, "Bitustone," Tarvia filled macadam, Asphalt concrete with bituminous concrete base or Dolarway, as may be hereafter determined.

SECTION 5.
The serial bonds herein mentioned shall be issued in accordance with the provisions of Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code, and amendments thereto, and all the proceedings in the aforementioned improvements shall also be taken under Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code, and amendments thereto.

SECTION 6.
The City Clerk shall certify to the passage of this Resolution of Intention, and shall cause the same to be published ten (10) times in the Arizona Republican, a daily newspaper published and circulated in the City of Phoenix and hereby designated for that purpose.

SECTION 7.
The Superintendent of Streets of the City of Phoenix shall post notices of said proposed improvement as required by law and in said notices shall refer to this Resolution of Intention.

Approved April 13, 1916.
GEO. U. YOUNG, Mayor.

I hereby certify that the above and foregoing Resolution Number 174, was duly passed by the Commission of the City of Phoenix at a meeting held April 13, 1916, and that a quorum was present thereat.

FRANK THOMAS
City Clerk.
First publication April 17, 1916.

RESOLUTION NO. 175
A resolution of the Commission of the City of Phoenix, declaring their intention to improve certain portions of Roosevelt Street in the City of Phoenix and determining that bonds shall be issued to represent the costs and expenses thereof, and declaring the work or improvement to be of more than local or ordinary public benefit and that said Commission hereby makes the costs and expenses of said work or improvement chargeable upon a district and hereby declares that the district in the said City of Phoenix, benefitted by the said work or improvement, and to be assessed to pay the costs and expenses thereof, is described as follows:

All of Churchill and Central Additions being bounded on the north by the center line of McDowell Road, on the south by the center line of Van Buren Street, on the east by the center line of Seventh Street, and on the west by the center line of Central Avenue.

Excepting therefrom any portion of any public street or alley which may be included within the above described districts and excepting also all of Blocks 38, 41, 42 and 43 and Lots 1, 2, 11 and 12, Block 44, Churchill Addition, owned by School District Number 1, Maricopa County, Arizona.

A portion of Block 20, Central Addition, owned by School District Number 1, Maricopa County, Arizona, which certain premises shall be omitted on the assessment hereafter to be made to cover the cost and expenses of said work or improvement and the total costs and expenses of said work or improvement shall be assessed upon the remaining lots or parcels of land lying within the said assessment districts as provided for in Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code and amendments thereto.

SECTION 2.
That the said contemplated work or improvement in the opinion of the Commission, is of more than local or ordinary public benefit, and that said Commission hereby makes the costs and expenses of said work or improvement chargeable upon a district and hereby declares that the district in the said City of Phoenix, benefitted by the said work or improvement, and to be assessed to pay the costs and expenses thereof, is described as follows:

All of Churchill and Central Additions being bounded on the north by the center line of McDowell Road, on the south by the center line of Van Buren Street, on the east by the center line of Seventh Street, and on the west by the center line of Central Avenue.

Excepting therefrom any portion of any public street or alley which may be included within the above described districts and excepting also all of Blocks 38, 41, 42 and 43 and Lots 1, 2, 11 and 12, Block 44, Churchill Addition, owned by School District Number 1, Maricopa County, Arizona.

A portion of Block 20, Central Addition, owned by School District Number 1, Maricopa County, Arizona, which certain premises shall be omitted on the assessment hereafter to be made to cover the cost and expenses of said work or improvement and the total costs and expenses of said work or improvement shall be assessed upon the remaining lots or parcels of land lying within the said assessment districts as provided for in Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code and amendments thereto.

SECTION 3.
The City Engineer is hereby directed to make a diagram of the districts described hereinabove in Section 2, of this Resolution of Intention, to be assessed to pay the costs and expenses thereof. Such diagram shall show each separate lot, piece or parcel of land in said districts and the relative location of the same to the work

to be performed, to-wit:

1. That the roadway of Second Avenue from the south line of Fillmore Street to the north line of Van Buren Street (except that portion now occupied by the tracks of the Phoenix Street Railway Company and two (2) feet on the outside of each rail) and including the intersection of all private drives wherever shown on the plans hereinafter referred to and including also such portions of intersecting streets and private drives as are necessary to form an easy approach to the pavement hereinafter described, to be graded and paved with bitulithic with cement concrete base, bitulithic with no base, cement concrete, "Topeka" Asphalt Concrete with cement concrete base, National, "Bitustone," Tarvia filled macadam, Asphalt concrete with bituminous concrete base or Dolarway, as may be hereafter determined.

2. That a combined cement concrete curb and gutter be constructed along both sides of the roadway of Roosevelt Street from the east line of Central Avenue to the west line of Seventh Street, excepting at the intersection of streets, alleys, private drives and approaches thereto as shown on the plans hereinafter referred to.

3. That a cement concrete curb be constructed across the intersections of all alleys, private drives and approaches thereto as shown on the plans hereinafter referred to.

4. That a cement concrete gutter be constructed across the intersections of all alleys, private drives and approaches thereto as shown on the plans hereinafter referred to.

5. That corrugated iron pipe of the size and location be laid as follows: Fifteen (15) inches in diameter across all alleys and private drives and across the roadways of all the intersecting streets with Roosevelt Street as shown on the plans hereinafter referred to.

6. That cement concrete standpipes be constructed and gates be set to control the flow of water at the following locations on Roosevelt Street:

One (1) at the alley between Second and Third Street's, as shown on the plans hereinafter referred to.

7. That cement concrete pipes of the size shown be laid from the aforementioned stand pipes and corrugated iron pipe to a point six (6) feet back of property line as shown on the plans hereinafter referred to.

8. That a storm water manhole be constructed on Roosevelt Street at Central Avenue, Fourth Street and Fifth Street.

9. That gutter inlets be constructed to receive drainage water at the following locations on Roosevelt Street: Central Avenue two (2), Fourth Street two (2), and Fifth Street two (2), and that said gutter inlets be connected to storm water manholes with the size of cement concrete pipe as shown on the plans hereinafter referred to.

10. That the roadway of the intersecting streets, alleys and private drives be graded from the grade of the aforementioned pavement not to exceed ten (10) per cent until it meets the original surface.

All of the above work or improvement to be done in accordance with that certain set of plans approved and adopted by the Commission of the City of Phoenix, on the 12th day of April, 1916, and on file in the office of the City Engineer in Book Three (3) of Street Improvement Plans on Pages 142 to 148 inclusive and in further accordance with the following specifications:

Standard Specifications of the City of Phoenix, Numbers 19, 22, 24 and 28. Curb and gutter work to be done in accordance with Specification Number 21.

Paving to be laid in accordance with the following Specifications, to-wit:

In case of bitulithic with cement concrete base Specification Number 20.

In case bitulithic with no base Specification Number 26.

In case "Topeka" Asphalt Concrete with cement concrete base Specification Number 31.

In case National Pavement Specification Number 32.

In case "Bitustone" Pavement Specification Number 34.

In case "Tarvia" filled Macadam Pavement Specification Number 35.

In case Asphalt Concrete with Bituminous Concrete base Specification Number 37A.

In case Dolarway Specification Number 38.

In the Rush of Harvest

THERE'S nothing which makes a man so downright mad as to have twine run uneven. Stopping a binder once on this account is simply a nuisance, but such twine means constant interruptions—a serious matter.

USE
PLYMOUTH TWINE

and be rid of such trouble forever. Plymouth is even in size and stronger than other brands. It runs full length, ties more bundles and does not fall down.

Buy the twine that's "always good" and order early. We sell it.
